Can you please say a bit about why you would like to volunteer at Queer Spirit Festival. *

Festival volunteers are an essential part of the crew and we would not be able put on the festival without support from our volunteers. Please consider carefully if you are able to commit to attending the festival as a volunteer, as when volunteers fail to attend it puts an extra strain on the volunteers who do show up and it takes away a place from another person who would liked to have taken part.

Can you please let us know how you describe your gender identity. This is to help us have a variety of different people within the volunteer teams. If you prefer not to say this is also OK
