

The Queer Spirit Healing Area

It is our intention to create a dedicated quiet space where treatments can be offered with a garden that festival goers can retreat to if they need time out or to reflect.

We know that our community has many amazing therapists and we would like to invite those interested to offer your treatments. We will supply a space and a couch and it is up to you how much you charge and when you choose to work. The Information Team will manage the booking of the space and in return for their support and the use of the space we ask that you donate 20% of your takings to the festival.

If you wish to offer treatments at the festival you will need to apply in advance, the application form is below. You will need to purchase a ticket for the festival or have a workers ticket, being accepted as a therapist does NOT give you a ticket.

Like past years the Healing Dome will also be used for a daily sharing circle and a 12 step meeting. The sharing circle will be 10:00 till noon Thursday to Sunday and the 12 step meeting from 6pm onwards. We don't yet have anybody to run the 12 step meetings, if you feel called to do this then contact Mary who is coordinating the area. mary_newing@hotmail.com
